FOURTH SEASON 2017

SUNDAY 22 JANUARY 7.30pm

VOCAL CONCERT

**For Holocaust Memorial Day
featuring the talents of
bOYbershop, Cantor Heller,

Music at Belsize welcomes the return of bOYbershop, a versatile quartet which has recently appeared at the Chichester Festival, the Montefiore Heritage Days and the Sacrées Journées de Strasbourg.

They will perform a programme including music by famous nineteenth-century composers, Yiddish folksongs, and melodies appropriate for Holocaust Memorial Day.

'a music that brings us to the gates of the East while also continuing a long vocal tradition in the image of the Comedian Harmonists, the irreplaceable German group of the 1920s and 1930s.'
DNA Saverne-Sarre Union, 10th November 2015

The programme also includes songs, lieder and favourite jazz solos by Jewish composers of the twentieth century.
